Summer Missionary Trips

This summer we have a number of our members who are looking to invest in Christ's kingdom and enter into God's work both nationally and globally by doing summer missionary trips. We have an opportunity also, to invest in that work by uplifting them in our prayers and by supporting them financially. In the month of March, each work will be presented to us so that we can pray for them and their desire to advance Christ's kingdom. We will also be taking a **special offering**, above what you give to the church regularly, for the five weeks of March to support them in this endeavor. If you are in a position to give we are eternally grateful for your generosity. The members that are doing trips this summer are; Paul Corona, Nate Edwards, Bobby Levy, Doug Lockard, and Brandon Peczenij. Thank you again for prayerfully considering this request.
