Understanding Worship

Song of Adoration: Having been called by Scripture to worship, we begin our worship with a song of adoration to our God. Our triune God is eternal, infinite, and unchangeable in His power and perfection, goodness and glory, wisdom, justice, and truth, so we begin with a song of praise that points our hearts towards Him and His absolute majesty and sovereignty. Laying aside all that has happened in the previous week, we turn all of our attention to our Creator, Lord and Master. If we are to worship God correctly, we must have a right understanding of who He is, so the words of this song must have a firm foundation in God's revealed Word.

Ladies' Bible Study is meeting on Thursdays from 9 a.m. to 10:30 a.m. in the Victory Center. We will be studying the book of James while doing an overview of the study of Scripture as a whole.

Adult Sunday School: Instruments in the Redeemers Hands
 This fall we are going to have a combined Sunday School Class covering the essential ideas from Instruments in the Redeemer's Hands. The foundational principle of this book is that effective ministry, and we would say effective discipleship, happens through the pathway of the heart. As we study through this concept the elders, and Discipleship Ministry Team pray that this truth would also lay down the foundation for all discipling ministries in the future. We encourage all to attend as this will be an important subject for the future of our church.

Kids Sunday School: The Gospel Project
 For our kids, we are continuing through The Gospel Project. The intent of this curriculum is to see all of Scripture through the lens of Jesus Christ. As we move from Old Testament to New we will see that Jesus is at the center of God's revelation and we trust that this will show the centrality also of Jesus for our lives and faith.

Congregational Meeting
 The Fall Congregational Meeting is coming soon – November 15th. This is the time each year when we elect officers, approve a budget, and discuss future plans. Everyone is welcome to attend, but members, we especially need your participation.

Reminder!
We will be voting to approve the 2021 budget on November 15th, so all 2021 budget requests are due to Ed Coover as soon as possible. There are budget request forms on the shelf in the narthex.
