**Understanding Worship**

**Song of Assurance:** Having recognized the absolute worth of God and our absolute failure to recognize that worth, we turn to a song of assurance. In this song we recognize the absolute ability of Jesus Christ, the Son of God, to save us from our sinful plight. Jesus, in his substitutionary atoning death on the cross has endured the wrath of God and taken upon himself the sin of all those who trust in him. In this sacrifice we can be restored to fellowship with God. Also, in his resurrection we have the hope of eternal life, not only in the life to come but also in our life while on this earth. In our union with Him we enjoy a renewed heart that leads us to actions which are pleasing to God and good to our fellow men.

Thank you for coming to worship with us today! Please let us know of your visit by filling out the visitor card in the seat back and place it in today's offering. We offer you a warm welcome in Christ and hope you will consider making Berean your church home.

**Ladies' Bible Study is meeting on Thursdays from 9 a.m. to 10:30 a.m. in the Victory Center. We will be studying the book of James while doing an overview of the study of Scripture as a whole.**

**Adult Sunday School: Instruments in the Redeemers Hands**  
 This fall we are going to have a combined Sunday School Class covering the essential ideas from Instruments in the Redeemer's Hands. The foundational principle of this book is that effective ministry, and we would say effective discipleship, happens through the pathway of the heart. As we study through this concept the elders, and Discipleship Ministry Team pray that this truth would also lay down the foundation for all discipling ministries in the future. We encourage all to attend as this will be an important subject for the future of our church.

**Kids Sunday School: The Gospel Project**  
 For our kids, we are continuing through The Gospel Project. The intent of this curriculum is to see all of Scripture through the lens of Jesus Christ. As we move from Old Testament to New we will see that Jesus is at the center of God's revelation and we trust that this will show the centrality also of Jesus for our lives and faith.

**Congregational Meeting**  
 The Fall Congregational Meeting is coming soon – November 15<sup>th</sup>. This is the time each year when we elect officers, approve a budget, and discuss future plans. Everyone is welcome to attend, but members, we especially need your participation.
