Understanding Worship

Song of Adoration: Having been called by Scripture to worship, we begin our worship with a song of adoration to our God. Our triune God is eternal, infinite, and unchangeable in His power and perfection, goodness and glory, wisdom, justice, and truth, so we begin with a song of praise that points our hearts towards Him and His absolute majesty and sovereignty. Laying aside all that has happened in the previous week, we turn all of our attention to our Creator, Lord and Master. If we are to worship God correctly, we must have a right understanding of who He is, so the words of this song must have a firm foundation in God's revealed Word.

Thank you for coming to worship with us today! Please let us know of your visit by filling out the visitor card in the seat back and place it in today's offering. We offer you a warm welcome in Christ and hope you will consider making Berean your church home.
